Guess How Many

Have your guests put their guessing skills to the test with this fun game! All you’ll need is a baby bottle, candies or the item of your choice to fill it with, and let the guessing games begin!

How to play:

1. Fill up a baby bottle with candies, marbles, or item of your choice.

2. Provide scraps of paper near the bottle, where guests can write down their name and their guess for how many candies/marbles are in the bottle.

3. The guest with the closest guess wins!
